1954 CHAMPIONSHIP RECORD

With this issue The Chronicle embarks upon a new venture. It is to publish annually as complete a list as possible of championship winners at horse shows in the divisions which are our particular province—conformation and working hunter, open jumper, hunter pony and hunter seat equitation. Obviously no such list can be fully complete or fully accurate, no matter how much we strive to make it so. On the other hand we are confident that it will be by far the best record available, a record which it is important to publish.

For the other Thoroughbred sports—sports in which the horses used are Thoroughbred or nearly so—we already have ample records, for flat racing the American Racing Manual, for steeplechasing Steeplechasing in America, for polo the Year Book of the U. S. Polo Association. From 1934 to 1938 such a record was published by the American Horse Shows Association. There still is published the American Horse Show Blue Book which goes back to 1902, but which, as far as the divisions in question are concerned, is much narrower in scope than the list which appears in this issue.

The 1954 A.H.S.A. Rule Book supplement listed 236 member shows of all types as of April 15th. By the end of the year 62 additional member shows had been added, bringing the total to 298. During 1954 The Chronicle published news stories and summaries of the awards in 553 shows. This figure is the more significant since it included only those shows offering hunter, jumper, hunter pony and hunter seat equitation classes. Many of the 298 A.H.S.A. member shows were not included, since they did not offer classes in the above divisions. Early in February a check revealed that only 5 member shows offering these divisions had been missed by The Chronicle. The championship data of these shows has been added to our list, bringing the total number to 558.

There still is no annual record of the awards in Point-to-Point races, Hunter Trials, Hunter Pace events, and Three Day events. The first group might well be included in the Steeplechasing Annual. Perhaps another year The Chronicle might add the other groups to the list published herewith.

The records of 558 shows in the various divisions make an impressive array, one in which all hunter and jumper enthusiasts can and do take pride. Something over two years ago, when we first assumed the responsibilities of The Chronicle, the editor of a publication devoted to American Saddle Horses assured us that we were butting our heads against a stone wall. "Time and time again" he said "it's been proved that saddle horse people are the only ones which will support a horse show publication. The hunter and jumper

boys like to see their names in print, all right, but they just won't back you up with advertising." This issue is certainly his answer. To all hunter and jumper advertisers, both individuals and show committees, who have supported us in the past and who have made this issue possible The Chronicle extends its gratitude and thanks. Certainly the returns they have received in the increased sales, entries and gate receipts would indicate that support is a sound investment.

Letters To The Editor

Resolution

Dear Sir:

At the meeting of our Executive Committee on January 28, the following resolution was passed:

Resolved: That the Masters of Foxhounds Association commends the program and achievements of The United States Pony Clubs, Inc., and recommends to its members, including all active Masters, the establishment in their localities of member clubs affiliated with the national organization.

I understand that there are at present some twenty-four Pony Clubs affiliated with The United States Pony Clubs, Inc., with an enrollment of approximately 1250 children, and that more groups are pending with an additional enrollment of 300 or 400.

The majority of these clubs are being formed with the approval of the local Masters of Foxhounds, and in every case the M. F. H., is invited to be a member of the committee directly or ex-officio.

The President of The United States Pony Clubs, Inc., Colonel Howard C. Fair, tells me that its main aims and objectives are to instill in the children the real spirit of foxhunting and that its ideal is to produce a thoroughly happy, comfortable horseman, riding with complete confidence and perfect balance across a natural country on a pony or horse equally happy and confident and free from pain or bewilderment.

Such a program should certainly produce many worthy recruits for our sport and provide additional assurance for its future.

Gilbert Mather,
President.

Likes "Young Entry"

Dear Sir:

Congratulations on your "Young Entry" section. I'm always particularly interested in it, of course. Pony Clubs are certainly flourishing in the States now and you've got a wonderful man to head them up, in Howard Fair. Last count for Ottawa was 105, but we won't be able to hold any mounted meetings for ages yet, judging by the snow which continues to pile up, and up and up! How the skies can hold so much, after the gallons of rain they pour down on us for the whole of 1954, I can't imagine!

Sincerely,

Barbara May

BREEDING

AND

A SECTION
DEVOTED TO THE INTERESTS
OF THE TURF**Racing Review****A. G. Vanderbilt's Social Outcast Wins Second Running of John B. Campbell Memorial****Snowden Carter**

If all men were great, greatness would be a mediocrity. The whole thing is relative, and only by standing head and shoulders above his contemporaries does a man achieve top mark.

Such a man was John Blanks Campbell who died last year after becoming the world's finest handicapper. Although his work in recent years was confined largely to the New York tracks, he did serve as racing secretary and handicapper at Bowie under the Larry MacPhail-Donald Lillis operation whenever the Maryland track ran without New York conflict.

Because of Campbell's Bowie Association (which actually had commenced decades before), Mr. Lillis, Bowie's president, conceived, soon after Mr. Campbell's death, a race named in the great man's honor.

The inaugural running was offered last fall, and Mrs. E. D. Jacobs' Joe Jones won the mile and an eighth race, establishing a new track record of 1.50 1/4. Conn McCreary was aboard the Hirsch Jacobs-trained son of Stymie in that race, and the pot was \$25,000-added.

Joe Jones earned \$20,505 with Impasse second and Prince Hill third.

On April 9, the Campbell Handicap had its second running. The conditions had been changed: The purse was tripled in value to \$75,000-added. The race now was a mile and a sixteenth. Joe Jones, striving for his second straight Campbell, met just three opponents, but instead of finishing first, he was last.

The John B. Campbell Memorial Handicap, 2d running, 1 1/4 miles, 3-year-olds and up, (April 9).

Alfred Gwynne Vanderbilt's Social Outcast was one of just four horses to start in the finest handicap race run thus far in the 1955 season. Actually, he wasn't considered a probable starter until Wednesday when Trainer Bill Winfrey telephoned from New York to say he would accept his 125-pound burden.

Up until that time, it had been thought Helioscope, topweighted at 130, would meet just two formidable opponents (Fisherman, 125, and Joe Jones, 121) with maybe a few mediocrities thrown in for flavoring.

But Social Outcast did accept his assignment, and neither Vanderbilt nor Winfrey lived to regret the decision.

For Racing Secretary and Handicapper John P. Turner, Jr., it would have been a better race had the finish line been at the eighth pole.

At that point, the four starters were just heads apart.

Helioscope, 1-2 favorite, had lost his early lead and was second to Joe Jones by a head. He was another head in front of Fisherman and Social Outcast was still last, but just a head behind Fisherman.

In that last eighth of a mile, the positions changed drastically.

Social Outcast got up to win by a nose from Fisherman, the latter outfinishing Helioscope by two and a quarter lengths. A head behind him came Joe Jones. The spread from first to last position was less than two and a half lengths—a thoroughly Campbellian job of handicapping by young Mr. Turner.

Social Outcast, a Maryland-bred son of Shut Out and Pansy, last year received the Maryland Racing Writers' Award as the best Maryland-bred performer of the 1954 season. He looks now like a repeater, if there ever was one.

In the Campbell, he earned \$55,600, set a mile and a sixteenth track record of 1.42 3/4 (Country Bumkin's old mark was 1.43 3/4) and returned a liberal \$19.40 mutuel as the longest priced horse on the board.

A crowd of 21,016 saw the program and bet \$1,562,235 on the card.

Neither attendance nor betting was up to expectations, but no one could have asked for a better race with better weather conditions.

The Campbell was the richest handicap race ever run in Maryland, and it went to a Maryland-bred owned by a former Marylander, and, in winning, Social Outcast defeated the best of the Eastern handicap division.

Jamaica

The Prioress, 8th running 6 furlongs, 3-year-old fillies (April 6).

What was to become a wonderfully successful week for the stable of Alfred Gwynne Vanderbilt started on Monday with his Up Betimes running next to last in a \$7,500 claimer at Jamaica. The race didn't foreshadow what was to transpire in the Prioress at Jamaica and the Campbell Memorial at Bowie.

Sometime Thing went to the post 6-5 favorite in the Prioress on Wednesday, led every foot of the six-furlong journey under Eric Guerin and was timed in a creditable 1.12 1/4, fourth fastest six-furlong time of the five-day-old meeting.

The victory put 24-year-old Discovery back in a familiar role as sire of another stakes winner. His best racing daughter to date is Conniver (1944) with \$227,825 in purses.

Sometime Thing, a daughter of the Bahram mare Now And Again, had never started in a stakes race before. In fact, she didn't get to the races until January 22, beaten a half-length by Fleet Fighter at Hialeah. Now with seven starts

to her credit, she boasts five victories, one second and one third.

Remember Bed o'Roses, Next Move? Well, this may be another. Preston Burch, the Brookmeade trainer, judged the 1953 yearling show at Pimlico and gave Sometime Thing the grand championship.

She's done absolutely nothing to embarrass Mr. Burch since then.

Gaining a winner's check of \$17,000 in the Prioress (defeating Minnie Moocher a length and a half) Sometime Thing now has earnings of \$29,850 out of her seven starts.

named Whirling Lark. But actually, the bay colt was bred and is owned by Gough W. Thompson's Roslyn Farm of Pikesville, Maryland.

In the Gotham he was one of the outsiders at 16-1 (having run fourth behind Westward Ho, Wagon Drill and Amber's Folly in his last start at Bowie, March 25), but the odds meant nothing as Go Lightly came home a driving half-length victor over Mr. Al L.

The race marked Go Lightly's first stakes victory (a fact guaranteed by the conditions of the race which barred all stakes winners) and the third win of his 16-race career.

He picked up \$21,250 in the Gotham, increasing his total earnings to \$28,900. Go Lightly is a Preakness-Belmont Stakes nominee, but not even his Gotham win projects him very forcibly into the Triple Crown picture.

Time for his race was 1:46 $\frac{3}{4}$ —four and one-fifth seconds off One Hitter's track record.

Gulfstream Park

The Gulfstream Park Juvenile Stakes, 2d running, 4 $\frac{1}{2}$ -furlongs, 2-year-olds, (April 5).

The Lily-Ann Stable of Mr. and Mrs. John Dordon has come a long way in recent months. First it was there \$7,500 bargain claim *Guayana* which won a division of the Columbia at Hialeah and the Barbara Frietchie at Bowie.

Now it's *Getthere Jack*, winner of five straight out of five starts.

The juvenile son of Bimelech and the Pompey mare By Sea was running 4 $\frac{1}{2}$ furlongs for the first time of his career and got home a driving length and a quarter victor over E. Gay Drake's Swoon's Son. Flying Teddy was third in the field of 10 colts and one filly.

Getthere Jack, a gelding, started his career by winning a \$10,000 maiden-claimant at Hialeah. Since then he's won two allowance dashes and two stakes.

As heavy favorite, he returned a \$4.80 mutuel and was timed in 52 $\frac{1}{4}$ seconds.

just one-fifth off Bidby Jane's 1952 track record. He earned \$13,250 in the Juvenile, increasing his five-race total to \$26,300.

Would have been a pretty nice \$10,000 claim in January, eh?

The Hollywood Handicap, 6 $\frac{1}{2}$ furlongs 3-year-olds and up (April 9).

Gaining his sixth victory out of his last ten starts, D. Singer's *Hangover* (a 4-year-old son of Apache and Corn Licker) won the \$7,500 Hollywood Handicap by a head from the dead-heating Spartan Jett and Skipper Bill.

The most notable feature of the race was the closeness of the finish. Horace Wade, Gulfstream's many-dutied racing secretary, allotted the weights and got a dead heat for second with the winner by a head. Shades, me thinks, of John B. Campbell's Carter Handicap.

Wade gave *Hangover* top weight of 122 pounds. Spartan Jett carried 111 and Skipper Bill 110. *Hangover*, ridden by Mike Basile, earned \$4,600, putting his 1955 total at \$27,650 with six wins out of nine starts. The S. D. Shor-bred colt is trained by Robert F. Curran.

Lincoln Downs

The New Haven Handicap, 1 $\frac{1}{8}$ miles, 3-year-olds and up (April 9).

M. E. Affeld's *Spur On* seems to be one of those which improves with age. Now a robust 7-year-old, the son of Whirlaway was a handy 2 $\frac{1}{2}$ -length winner of the \$10,000 New Haven Handicap, defeating Ezio, the 7-5 favorite, without trouble.

Bred by Calumet Farm and trained now by M. A. Silagy Jr., the bay son of the Blue Larkspur mare Still Blue earned \$75,745 in eleven starts last year and with \$5,500 picked up in the New Haven boasts 1955 totals of \$32,275.

His time of 1:45 over a fast track was one full second off Tennessee Kid's 8-year-old track record.

Golden Gate Fields

The Golden Gate Oaks, first running, 1 $\frac{1}{8}$ miles, 3-year-old fillies (April 2).

Neil S. McCarthy's Irish-bred *Bell O Shandon* gained her first stakes victory

in this \$15,000 race, carrying 112 pounds, most of it in the person of Willie Shoemaker.

Installed \$4.70 for \$2 favorite, the daughter of *Royal Charger and Red Blow (bred by the Ballymagoley Stud, Ireland) earned \$9,825 in the filly race and was timed in a smart 1:43 $\frac{1}{8}$.

Bell O Shandon raced sparingly as a 2-year-old, gaining two victories. In her only stakes effort she was unplaced.

Trainer-Rider G. Stephens Scores With Democles F. D. "Dooley" Adams Rides Four Winners

Chris Wood, Jr.

Undoubtedly the best meeting ever held on the Atlantic Rural Exposition grounds in Richmond, Va., the annual spring session sponsored by the Deep Run Hunt Race Association turned out to be a field day for the Adams family. Runner-up for national training honors in steeplechasing last year, America's leading feminine trainer, Mrs. Clara E. Adams, sent forth winners to account for four of the five carded races.

Unable to break into the winners' circle at preceding hunt meetings, F. D. "Dooley" Adams rode all of the winning Thoroughbreds saddled by his mother to record a perfect day of saddle artistry.

It was a perfect day for the mentioned trainer and rider, and a "day of days" for trainer-rider Grover Stephens. Making his debut as a conditioner of 'chasers, the former amateur rider saddled and rode George W. Offutt, III's Democles to win the 23rd running of the Deep Run Hunt Cup. The winning effort was an initial one for the youthful conditioner and his owner, both of Warrenton Va.

One of a field of 12 in the 3 mile race over 18 timber fences, Democles was well placed from the break. Rated 3rd behind Lord Mildmay and *Journey over the first jump, the gray gelding held the position until Mrs. George L. Ohlstrom's home-bred, Lord Mildmay fell over the 5th with Jockey W. Bland. At this juncture, Mrs. Russell M. Arundel's Virginia Gold Cup hopeful, *Journey assumed command. The latter relinquished his advantage over the 10th as Stephens pressed his mount to the fore. The pair increased their lead to 5 lengths on approaching the final obstacle, which the gray gelding bobbled badly sending his rider up on his neck. An excellent display of horsemanship got Stephens back in the saddle and the pair went on to score by 8 lengths. Closing ground in the late stages, after running in 4th position for most of the route, Gerald Weiss' *Gold Tar and Melvin Ferral gained the place award. Uncle Pierre, a two-time winner of the Rokeby Bowl, saved the show award for owner Cyrus Manierre.

Showing a desire for a longer route, Mrs. Charles C. Jelke's Big Breeze came from 10th to finish 4th under the guidance of her amateur-rider husband. Tiring badly after his pace-setting efforts, *Journey under A. P. "Paddy" Smithwick, finished 5th. Others to finish were W. L. Rochester, Jr.'s Conjure Ghost

and Miss E. R. Sears' Big Spike. The latter was the one horse saddled by Mrs. Adams which failed to find the winners' circle.

Fencing well, except for his bobble over the final obstacle, Democles covered the distance in 5:37½ to establish a new course record over the very hard turf. By *Hierocles—Demolition, by *Foray II the 6-year-old gelding broke his maiden over hurdles at the Warrenton meeting last year for owner Lawrence R. Troiano. After winning over hurdles on the major courses, Democles was claimed at Aqueduct in the spring by the Pennsylvania Stable for \$3,500. Raced successfully on the turf, the gray gelding was obtained by private treaty for the Warrenton sportsman for considerably more than his last claiming price.

Mishaps in the 3 mile timber test came to the mentioned Lord Mildmay, Edwin J. Gould's Mahatma and Mrs. S. C. Martin's Tie Plate. Mahatma came down over the 16th with Elwood Carter and Tie Plate fell over the 14th fence with jockey R. Neff. The latter, making an initial appearance over jumps at a recognized meeting, sustained a fractured shoulder, while Carter was not injured. Following the spill at the 16th, Perry's Pride, also owned by Mr. Gould, and Mrs. William F. Buckley's Silent Boy were pulled up.

Mrs. Adams and "Dooley" started their winning day by annexing the Broad Rock, 1½ mile hurdle event for maidens with Mrs. Simon T. Patterson's Lovely Argon. Breaking well, the 5-year old chestnut mare took the lead over the first hurdle, with Irl A. Daffin's Eponbush and W. Burling Cocks' Bucko in close attendance. She relinquished the lead by a scant neck to Eponbush over the 3rd, but rapidly regained the lead and held it throughout the rest of the race to win by a length and a half. Closing well in the stretch, Mrs. M. G. Walsh's Fair Kitty finished second, a length and a half in front of Eponbush, and 8 other contenders. Untractable in

her few outings last year, Lovely Argon showed perfect paddock and post manners. Displaying ability in her hurdling, she covered the distance over 10 hurdles in 2:30½.

Tasting victory for the first time this season, trainer Adams and her jockey son continued with Mrs. George H. Willis' Montevideo in the Strawberry Hill, a 6 furlong turf test. Getting off well, Adams and his mount stood off a close finish. Continued On Page 59

American Horse Shows Assn.

A Definite Feeling Of Optimism Is The Foreword For the New Horse Show Season

Theodore E. Buell

(Executive Secretary)

Replete with a new rule book embracing widely and favorably received rule changes, the American Horse Shows Association faces the new horse show year with a definite feeling of optimism at the possibility of setting new records.

When the supplement to the Rule Book went to press it contained the largest chronological list of AHSA dates ever compiled, as well as the Roster of Recognized Show committees, containing names, addresses and telephone numbers of official contacts for each Regular Member Show, Licensed Show and Local Show Member claiming a date. The latter is a very useful directory for everyone connected with the sport. AHSA had 31 brand new shows on its rolls as of April 1, an all-time high.

New shows will apply and old shows will renew at a steady rate through the spring and early summer, to a point expected to be considerably in excess of 1954. It is regrettable, however, that committees cannot decide on dates earlier, rather than wait until the spirit or spring weather moves them to this task, for an opportunity is missed to have their shows included in the popular supplement which goes to nearly 5,000 individuals. Many of the recipients are potential exhibitors. Furthermore, the presence of one's dates on the list might dissuade other committees from claiming that particular week-end.

The Supplement also will contain amendments to the Rule Book's Roster of Recognized Judges—late renewals, promotions and new judges. Amendments to the recently-issued Rule Book also will appear in the volume, together with important bulletins of interest to all members.

The task of promptly and efficiently editing the 1955 Rule Book was exceptionally difficult in view of the fact that numerous rule changes were suggested

at the recent annual convention in San Francisco. During the event there were well-attended forums for show committees, judges, exhibitors and stewards, together with open meetings of the Association's numerous breed committees.

Hunter Championship Preliminary

Early indications are that elimination of the championship preliminaries in all sections of the hunter division was a popular move. With it, however, went certain requirements with regard to Hunter Hack and Hunters under Saddle Classes. The consensus always has been that a champion should be able to hack as well as jump. In the past when exhibitors saw fit not to enter hack and under saddle classes at a show, the preliminary required them, if prior performance placed them among the five high-scorers, to hack in the preliminary.

However, the class became looked upon by many as a necessary evil. Generally it came late in the program when owners were packing up, and perhaps the fourth and fifth horses had been unbraided, owners not realizing that these mounts might be called for the preliminary. These horses sometimes were well down in the standings and could expect no personal gain. Then there were those in the audience who did not understand the purpose of the class.

Under the new rules, any show must hold a minimum of three classes in whatever section or sections it offers a championship, and one of these must be a hack or under saddle class.

The Rule Book wording of the championship preliminary and final has been reduced about 100% in explaining how champions hereafter will be determined.

The new wording follows:

"The Champion and Reserve Champion titles shall be awarded to two of the four horses which have acquired

59th Running Of The

Maryland Hunt Cup

Saturday, April 30th, 1955

Time: 4:00 P.M.

The Fifty-Ninth Annual Race for the Maryland Hunt Cup and the Third Race for the Challenge Bowl, presented by The Committee of the Maryland Hunt Cup Association will be run on Saturday, April 30th, 1955 at 4 P. M., under sanction of the Hunts Committee of the National Steeplechase and Hunt Association. Weights: 4-year-olds, 150 pounds; 5-year-olds, 160 pounds; 6-years old and upwards, 165 pounds. No sex or half-bred allowance; no allowance for riders and no other allowance. Owners, riders, and horses, acceptable to the Committee. The race to be run on the estates of Mrs. J. W. Y. Martin and Daniel Brewster, Worthington Valley. Entrance Fee \$10.00. Distance four miles.

The Challenge Bowl will be held by the owner of the winning horse each year and will become the permanent possession of the owner winning the Maryland Hunt Cup three times, not necessarily with the same horse nor by successive wins.

*In determining whether a rider is acceptable to the committee the following general qualifications will apply—

1. Riders holding amateur licenses from the National Steeplechase and Hunt Association and those eligible for the same.
2. Members of recognized hunts not holding amateur licenses of the National Steeplechase and Hunt Association whose avocation is fox hunting for pleasure and who, although they may derive their livelihood from horse activities, do not accept pay for riding in races. These may be permitted to ride, but it is to be understood in good faith, that no rider shall be paid either directly or indirectly for riding in the Hunt Cup.

Commencing April 1st, 1955, the office of the Maryland Hunt Cup Association will be c/o Mr. Redmond C. Stewart, 411 N. Charles Street, Baltimore, Md. Telephone SAratoga 7-6820. For information regarding the race, parking stickers, press notices, and paddock tickets, call this Baltimore office.

35th Saratoga Yearling Sales Close Monday, May 2

Will Sell Only Hyperion Colt

Fasig-Tipton's 35th Annual sale of Yearlings at Saratoga, scheduled for the evenings of August 8, through August 12, will close on Monday, May 2.

Included in the Saratoga Sales will be the only Hyperion colt to be offered at auction in America this year. This colt, out of Rosina by Chumleigh and tracing to Rosy Legend, dam of Dante and Sayajirao is consigned by H. S. Middendorf of Boston.

Another early consignment is that of Whitney Stone's Morven Stud which has been selling at Saratoga for 25 years. The colt Getthere Jack, winner of four races this year including the Gulfstream Park Dinner Stakes, was a \$5,600 yearling from the Morven Stud consignment of 1954.

Rigan McKinney, frequently a buyer at Saratoga, will this year offer his first consignment, a group of four yearlings from his Blarney Farm, Woodbine, Maryland.

CTBA-Fasig-Tipton Sale Scheduled for Two Days

The California Thoroughbred Breeders Association—Fasig-Tipton sale of Selected Yearlings has drawn about 100 head and will therefore be held on two evenings, August 29 and 30, at Del Mar racetrack, Del Mar, California.

Roman Patrol Tops Sales Yearlings In "Experimental"

Roman Patrol, Pin Oak Farm's winner of the Louisiana Derby, is the highest weighted of the 1953 sales yearlings appearing in the Experimental Free Handicap of the 2-year-olds of 1954. An \$18,000 purchase from the Saratoga consignment of Mrs. George P. Greenhalgh's Springbury Farm, Berryville, Va., Roman Patrol tops all other sales yearlings with an assignment of 117 pounds in the Experimental Handicap. Springbury Farm will sell another Roman yearling at Saratoga this summer.

Other Sales Dates Scheduled by F.-T.

June 27: W. W. Naylor Dispersal, Riverside, California.

August 13: Race Horse sale at Saratoga.

August 22: Canadian Thoroughbred Horse Society sale of Selected Yearlings at Woodbine race course, Toronto, Ontario.

A.H.S.A. Offers U.S.E.T. Medal Class For Riders 21 and Under

The following class was approved March 31 at a meeting of the Board of Directors of the American Horse Shows Association and will appear in the Rule Book Supplement to be published shortly. It is a U. S. E. T. Equitation Medal Class open to riders 21 years and under, in which both horse and rider are judged. Recognized judges in the Hunter Seat Equitation Section may officiate. The rule and class specifications to be added to Rule XXX are as follows:—

Part V. U. S. E. T. Equitation Medal Class Conditions Covering Holding of Class

(a) As the national organization representing the Federation Equestre Internationale and in order to further the work of the United States Equestrian Team, the American Horse Shows Association offers to all recognized shows what is to be known as the U. S. E. T. Equitation Medal Class. This class corresponds to the F. E. I. *Prix Caprilli* and is designed as a test of general equitation for both horse and rider in the minimum of schooling considered indispensable in the practice of modern riding for sport.

(b) The class will be open to individual junior and senior members of the American Horse Shows Association, 21 years of age and under.

(c) In order to include this class in its Prize List, a Recognized Show shall apply for permission in writing prior to the publication of its Prize List using the exact specifications as shown in Part VI.

(d) Post entries may be accepted if the Prize List so stipulates. Three entries are necessary to fill a class.

(e) Shows offering U. S. E. T. Equitation Medal classes shall make a complete report to the Association in order that membership may be checked. Names and addresses of all entries including non-winners must be included.

(f) Contestants must win one medal to qualify for the Final Event, the winner of which shall receive the U. S. E. T. Equitation Challenge Trophy which must be won three times for permanent possession. The winner of a class shall be eliminated from future competition during the current year except for the Final Event.

(g) General rules governing the holding of other Medal classes (see Part II) shall apply.

(h) The U. S. E. T. Equitation Medal Class shall consist of two parts as follows:

(1) Dressage (Schooling) Test. 90 points
Requirements—A. H. S. A. Dressage Test "C", copies available to members (Editors Note: To be published next week).

(2) Jumping Test. 90 points.

RIDER—45 points, based on

1. Precision and discretion in the use of the aids—15 points.

2. The ease and correctness of riding—15 points.

3. The management of the horse and the seat over obstacles 15 points.

HORSE—45 points, based on

1. Obedience, calmness, smoothness of gait of jumping—45 points.

From the points thus awarded by the judges, the following deductions will be made:

a. 1 point for each knockdown

b. 2 points for each disobedience (Elimination for three disobediences)

c. 5 points for fall of rider and/or horse.

The COURSE shall consist of Obstacle 1 (3' 9" brush) and 2 (3' 9" straight fence) one side of the ring and 3a (3' 9" straight fence) and 3b (3' 9" double oxer with 4' spread) on the opposite side. Distance of 24' from landing side of 3a to take off side of 3b.

Obstacles shall be without wings and not over 12 feet in width. The course to be ridden:

Obstacles 1-2-3a-3b then cross diagonal 2-1-3b-3a-2-1—Total 10 jumps.

Part VI. Specifications for prize lists and catalogs

U. S. E. T. EQUITATION MEDAL CLASS. Open to Junior and Senior A. H. S. A. members 21 years of age and under. To be judged on all around ability of horse and rider in (1) Dressage Test and (2) Jumping Test.

the most points performing over fences the full height required in the section in which shown. In addition to these points these horses shall receive half points for ribbons won in model, maiden, novice and limit classes and full points for ribbons won in hack and under saddle classes."

The hunter committee under the chairmanship of Mrs. Edgar Scott of Villa Nova, Pa., always has been a most active committee. During the year our office receives countless suggestions for the amending the rules. As might be expected, many would not be workable on a national basis, some would not work out anywhere and the balance would require, many changes all do get consideration at a meeting of the committee. In addition, Mr. Van Sinderen and other officials gather ideas from exhibitors, show officials and judges; the AHSA executive secretary in attending 25-35 shows a year, similarly receives suggestions from those interested in the sport's advancement.

The hunter committee traditionally meets during the Pennsylvania National Horse Show at Harrisburg, and after consideration of developments at this preliminary session convenes again during the National Horse Show to finally decide on the makeup of its important part of the Rule Book. Its recommendations go to the Board.

Cross-Entering Rule Relaxed

The committee has decided that at B (as well as C) shows cross-entering hereafter will be permitted. The larger shows for years had sufficient hunter entries without permitting cross-entering but with a steady decline in conformation section entries, the committee unanimously voted to permit cross-entering at B as well as C shows.

At this point it might be interesting to review statistics showing trends at Recognized Shows over a period of years—figures compiled by the AHSA office from marked catalogues submitted by the shows.

SEE CHART. PAGE 58

A figure fancier could interpret these statistics in many ways. Obviously here is what most show officials know, as do observant exhibitors: the trend is away from regular conformation horses in favor of working hunters. Five years ago 153 shows offered regular conformation classes, but in 1954 only 128 did. The number of such classes has declined from 930 events in 1950 to 693 last year. At the same time, regular working hunter classes increased from 873 at 168 shows in 1950 to 1034 classes at 180 shows last year.

Meanwhile, the premium average per class has shown little progress despite increased costs to exhibitors, a subject which Mr. Van Sinderen mentioned in one of his annual reports.

General Age Rule

Of especial interest to participants in the sport, regardless of division, are the recent changes voted by AHSA, as well as such sponsors of national equitation competitions as the ASPCA and the National Horse Show classes, concerning age limit.

AHSA has decreed that for horse show purposes the age of all persons shall be reckoned as beginning the 31st day of December of the year born.

Thus, a child whose birthday comes in mid-season may complete that year in whatever competition is covered by an age limit. Another benefit is the elimination of confusion as to whether a

"If You Ride, A Visit To Our Stores Is A Treat"

Sportsmanship

Thomas Fay Walsh

Dedicated to Miss Eleanora Randolph Sears, Mr. and Mrs. Ambrose Clark, Mr. and Mrs. Thomas Hitchcock, Mr. Joshua Brooks, and a host of others whose example has established a standard of sportsmanship second to none.

If you race or show horses, play polo or engage in any sport, you automatically become a member of a very high caste. For you can wear no prouder caste mark, nor bear a more noble appellation, than to have sportsman or woman written after your name.

From time immemorial this illustrious caste has been divided into two major classes—amateur and professional, and with amateur has also gone that elastic cognomen "gentleman".

As neophytes the caste accepts both classes at their face value. Money, higher education, or social position have little to do with it; for sportsmanship is innate, something made from the very essence of life itself.

Amateur and gentleman are not synonymous as one would think, for many charlatans have, and still use these terms as a cloak behind which to hide. An amateur may have a professional heart in the worst sense of those words, while the professional may be motivated by that intangible quality that stamps one anywhere and under all conditions a gentleman, and there is no more splendid title borne by man.

By their actions and betraying tongues one may easily recognize those who "belong," and those who, despite apparent breeding and genteel background, are outside the pale. There is no half way, you either belong or you do not. For once the caste mark is upon you it directs your conduct more rigidly than the severest taboo. It is a religion in itself. You remain a brahmin or become a pariah, your actions alone decide. For sportsmanship is an essence that cannot be diluted. If tried it exposes a sham gentleman or woman.

You are now in the oldest and most far reaching fellowship on earth, something that embraces all nations, all people, and this means racing, horse shows, hunting, yachting, tennis, baseball, football, golf,—sport in all its countless ramifications. And the first and greatest of all your commandments is—playing the game—not for monetary gain alone, but unselfishly, for love of the sport. For once monetary gain, which spells selfishness, becomes dominant, it ceases to be sport; the glamour is sadly dimmed.

The laws of the caste follow you into your private life. They guide your conduct toward your family and especially your servants. Here is where breeding meets a daily test, your attitude toward those dependent upon you, or the youngsters who are striving to learn the game, who rely on you for example.

If you happen to be a director of a show or sports meeting, see that your children or friends are not given preference by kow-towing officials. Meet all your exhibitors with a hand clasp and a smile, and to the one with few entries be especially kind. Do not confuse false dignity with that which is genuine. Dignity striving for importance is always farcical.

Whether playing ping pong or an international cup race let the rules guide you. In the brotherhood of sport, all start equal. If you enter your horses in competition accept the judges' decision without question, above all without outside comment. Guard Your Tongue, Lest It

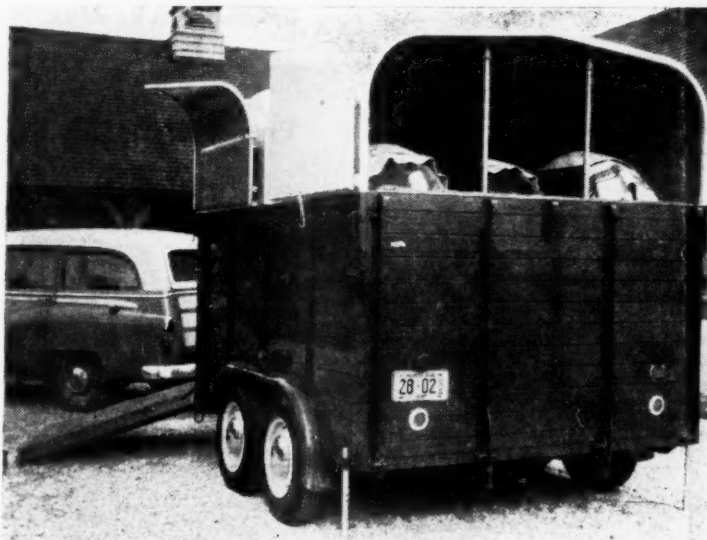

Play You Judas. Having entered a sport never withdraw; see the game through to the bitter end. After all, the public is the final judge. If you can't lose with the same smile you wear when winning, stop playing; maybe the sport is better off without you. Always go out of your way to congratulate the victor, and, should you win, have kind words for the loser. When waiting your turn to compete give women or children the preference, especially at a crowded entrance gate. In polo, watch mallet and pony

lest they obliterate your caste mark.

Never make sarcastic quips on the performance or dress of others. Although it may provoke laughter among your friends, a mis-spoken word may spoil the whole day for those in the car parked near you or the strangers on the rail, who perhaps are watching their loved ones perform. Remember there was a time when you too were green and awkward, and how a kindly sporting phrase brings fresh enthusiasm.

Play the game remembering courage is not all, for the savage beast has courage, and the desperate criminal also. With it must go good temper, patience and tolerance, and the greatest gift that God has given man—Laughter—kind. Play the game; uphold your individual caste with the reverence due your religion. Talk and act straight, without subterfuge or evasion. For sportsmanship is but another name for chivalry, with all its ancient allure and romance modernized. (Professional Horsemen's Assn. of America).

Horse Shows And The Cash Customers

Edward C. Parker

Old show riders never die—they just get put on horse show committees. As a result, most of our local shows are right up to the minute on the AHSA, but utterly oblivious to the non-riding spectators who pay at the gate and read the ads in the program. There are two classifications of rail birds we shall always have with us—the owners who don't ride and the parents, husbands, wives and children of those who do. Each of these is interested only in one or a few individuals, equine or human as the case may be. Those who dispassionately follow every class in a show are admirable folk, but mighty scarce.

Time was when the local shows were financed principally by box sales to the more affluent of the hunt, with the harassed MFH expected to lead the list. With increased costs of operation and the necessity of giving substantial cash prizes in order to compete for entries, the committees have turned to selling advertising and increasing the gate by luring the customers with stunt attractions.

Strangely enough, it is the reactionary element which has brought this savor of the midway to our show rings because these die-hards simply refuse to permit a horse show to be appealing to the rank and file. The key to the situation is to permit a much broader scope to the ringmaster and announcer, so that the people who watch will have some idea of what is going on. For instance, it is against the rules to announce anything but the number of an entry. This rule supposedly is to deter judges from being influenced by past performances. Here is a libel on the intelligence and ability of any judge. Imagine trying to referee a prize fight or a ball game along such lines!

Since programs are now printed under the direction of the advertising department rather than by the ring committee, the information contained therein is usually incomplete and inaccurate. Half the entries do not appear at all because a printing dead-line has to be met. It is scarcely the purpose of this article to discuss the merits of a show program as a merchandising medium to the advertisers, but it is not, in most cases, a dependable source of information on the events it purports to cover.

Nothing is as dull, to the uninitiated, as a breeding class. Here we may have "Three Get of Sire"—just three foals tugging at their leads. But if the grandstand can learn who that sire was, his record, ancestry, progeny, then breeding can carry a story of interest. People like to be educated, if in easy doses: witness, the TV quiz programs. When Joe Glutz comes to bat for the Blue Sox, you are told his batting average and how many home runs he had last season. Horses, too, are individuals, and as such will merit the attention of all the spectators.

For lo these many years, horse shows have been regulated for the sole benefit of the judge and the exhibitor. Even the gawkers around a construction job are being given consideration these days; why not also the cash customers at our horse shows? Must we resort to style shows, motorcycle policemen, donkey baseball or pony express riders in order to coax an audience? Rather, let's educate these people on whom the success of a horse show depends, so that they will come eagerly and happily—not sand-bagged because little Lucy is riding FiFi in the junior horsemanship class (13 years and under).

Buffalo Saddle and Bridle Club

A beautiful day gave the March schooling show at Buffalo plenty of entries, but there was an absence of spectators—they missed a good show.

A Lucky Omen colt made his debut at this show, and came away with the win the open working hunter and seconds in other hunter classes. The colt's name is Bright Prospect (a most appropriate name) and Miss Elizabeth Ginther is the owner. The progressive jumping class had a three way tie the first time around between Fortissimo, Oklahoma and Popeye, it was Fortissimo that came out on top.

Eglinton

The season's worst blizzard, a ten-inch snowfall and heavy drifts failed to prevent more than 150 members and friends of Eglinton Hunt from attending the third and last of the winter series of horse shows sponsored by Eglinton Hunt held in the Sifton indoor arena at Toronto.

Eight events ran smartly to schedule, providing championships for the series. Principal among these was the popular wins of Dick Day's Holy Smoke and Jimmy Elder's Red Top for open jumping and reserve, respectively. Jimmy Elder also took the green jumper championship with his home-bred chestnut mare Huntress.

Champion working hunter went to Nancy Shannon's Indiscretion, and reserve to Brandy B for his owner-rider George Boehm.

Youthful Normie Elder, youngest son of Robert Elder, won champion pleasure hack and reserve for open conformation. This winter series of horse shows has been sponsored by Eglinton Hunt for a number of years. Judging was shared by Judge F. H. Dillingham and Mrs. Dillingham, who came from Montreal and Lake of Two Mountains Hunt especially to attend the show.

Washington State

For the third year the weatherman favored the Hunter Jumper Horse Show.

An audience far larger than was expected turned out to watch this mid-winter event. A program had been set up which would give the green horses some show experience before the main show season gets under way in May.

There were over 140 entries which consisted of pleasure horses, hunters, jumpers and junior equitation riders. A nice profit was realized from the show. This money will be used to carry out the hunter, jumper program for 1955.

1954 Championship Record

Listed below are records compiled from reports of 553 horse shows held in 1954 and published in *The Chronicle*. All of the shows offered hunter, jumper, hunter pony or hunter equitation classes, these being the divisions to which *The Chronicle* horse show coverage is limited. The records of 5 A.H.S.A. member shows not published in *The Chronicle* are added. The list includes championships in conformation hunter divisions, both regular and green; in working hunter divisions, both regular and green; grand hunter; hunter pony; and hunter seat equitation. Both champions and reserve champions are given as well as the name of the show, the place, date, judges, horses, owners and (in equitation divisions) riders. Although some shows did not offer championships, we list them nevertheless with the thought that this information is also of interest. In other words all available data within these limits is included.

Such a list, in spite of our best efforts, must necessarily contain many errors and omissions. We hope our readers will call these to our attention and that they can be published in a subsequent issue.

and mineral supplement!**

More and more horsemen are supplementing their horses' rations with *New Formula Vionate*—a concentrate of all known essential vitamins, plus added minerals.

New Formula Vionate helps build and maintain strong, sturdy bones...promotes sound growth...whets appetites. It boosts vigor, vitality and stamina...helps keep your horses in tip-top condition, with healthy coats and skin.

In 10-lb.
canisters
or 50-lb.
economy
bags.

See your druggist!

See that your brood mares, foals, weanlings, horses in training get *New Formula Vionate*. Get it from your druggist today! For literature, write: SQUIBB, Veterinary Department, 745 Fifth Avenue, New York 22, N. Y.

We, the Professional Horsemen's Association of America, offer again the Professional Horsemen's Trophy Class. We sincerely hope that Show Committees and Managers will include this class on their forthcoming Shows. This class, offered this year for the eleventh time in the Open Jumper Division, with cash prizes, proved to be one of the outstanding classes of the year, in 94 major shows. We offer this class to bring in more revenue to needy members of our profession, to whom everyone connected with horses and horse shows owes a great deal in loyalty, patience and good fellowship.

Kindly notify me as soon as possible if you wish to include this class in your Show, so that a check for the prize money may be forwarded to you in good time.

It should be understood that all entry fees obtained in this class shall be forwarded to the Professional Horsemen's Association of America.

The conditions of this class follow:

Donated by **General Humberto Mariles** in the name of **General Manuel Avila Comacho**, the former President of Mexico, for amateur or professional riders over eight or more fences, first fence to be four feet high, with or without wings, performance only to count; that horses entered in the Cup Class must compete in two other open classes of the same Show. Horses placing first, second, third and fourth will be scored ten, five, three and one point respectively except in an "A" Show, which shall carry double points. These points shall be counted toward the yearly Championship, and the horse winning the greatest number of points throughout the season, shall be judged P. H. A. Open Jumper Champion and receive the Challenge Trophy and ribbon. Reserve Champion to receive Replica and Ribbon, both of which awards will be made at the 1955 National Horse Show.

To hold this Class, permission must be obtained from the Chairman and class must be listed in the prize list of the Show. Class can be held only once during each Show.

Entry Fee — \$10.00

1st — \$50.00

2nd — \$25.00

3rd — \$15.00

4th — \$10.00

Continued From Page 10

rider's eligibility in a certain class is based on age at time of entries closing, date of show's start or date of actual class. While this should be clear, show committees and the AHSA office received countless inquiries on the subject. Very important, apparently, is that this ruling in effect raises the maximum age limit for competing in junior classes.

Soundness For Strip Horses

The following soundness rule has been adopted by the Association at the request of Mrs. Scott's committee:

"In conformation hunter sections, emphasis shall be placed on soundness. Wind, vision, structural faults, defects and blemishes in areas which may impair the activity and durability of the horses are among the considerations of soundness."

Amendments not mentioned in the summary of changes sent out with the new Rule Book include these:

1. A qualified hunter is a horse who has been hunted regularly and satisfactorily for one or more seasons. Hereafter a letter to this effect, from the Master, shall be filed with AHSA (rather than accompanying each entry blank).

2. In the past it was possible for small, all-classification shows with a class or two in each of several hunter sections to award one tri-colored ribbon, called a grand championship. Believing that this title is misleading, the Hunter Committee voted a chance to combination championship.

3. Changes in Part IV, Hunting Appointments, can best be covered by reference to the Rule Book. Exhibitors who are members should compare the 1954 and 1955 Rule Books at these points (1955 references):

- p. 66 (a) Master. Change under "Coat"
- p. 67 Material transferred from (b) Honorary Huntsman to (d) Honorary Whipper-In.
- p. 68 (f) Gentleman Member. Changes under "Collar"
- p. 69 (h) Lady Member. Change under "Neckwear"

4. Martingales are prohibited in tie-breaking classes as well as in hack and under saddle classes.

5. Only riders who have been invited to do so by their Masters shall be permitted to wear hunt colors.

Annual High Score Awards

Show committees which desire to plan their prize lists to earn A or B ratings in one or more sections of the Hunter Division for High Score Award purposes should consult Rule XXIX. Several changes have been made in minimum requirements, both classes and premiums. Notable is the reduction in requirements for A and B ratings in the Conformation Sections, which the committee hopes will encourage strip horses.

Incidentally, under general rules a committee, finding itself short of a desired rating by a class or a few dollars, may correct this situation after the prize list has gone out. First clearing with AHSA, the changes may be made, provided that all exhibitors in the show's original mailing list are notified accordingly.

Jumper Division

For the first time, the Jumper Division

is divided into two sections. A green jumper is defined as a horse which has not won a class prior to January 1, and which has not subsequently won 12 blues as of the opening of a show in which entered.

This is apart from the definitions for maiden, novice and limit horses. It represents an effort to standardize attempts of committees in certain areas to provide a series of competitions for horses in between limit class or open class experience.

The Jumper Committee, under Chairman William C. Steinkraus, paid particular attention to correspondence and verbal complaints in 1954 concerning jump construction and course layout. Under 1955 rules, if a jump or a course fails to meet AHSA requirements, any exhibitor may report such deviation to the AHSA Steward, who shall direct the necessary corrections before the class may start.

The old rule about ordering a horse from the ring upon the commission of 4 faults if such performance indicates the entry is out of the ribbons has been revised. Hereafter the rule applies except in the first open class, thus permitting an entry one complete round. The new rule also stipulates that an entry may be "blown out" regardless of number of faults.

Each B show (as well as A show, a 1954 requirement) shall have 8 obstacles or more, 30% being spread. Measurements of spread jumps shall be taken at top rather than base. Safely devices are recommended for spread fences.

New standard specifications are given for the Modified FEI class (p. 85). The

Association points out that modification of standard FEI specifications at the personal preference of a local committee or member of same is most unsatisfactory, leaving exhibitors in a quandary from week to week as to what kind of a course to expect. If a class is to have "FEI" in its title it must (a) follow FEI rules exactly, or (b) follow specifications on p. 85 exactly. There is no third or "local option" course. No other "modification" is permissible.

Show committees should note the new drawings of typical vertical and spread fences on pages 86-88. They were drawn up by a talented staff member, Miss Jean MacLean under direction of Mr. Steinkraus and his associates. The smaller the show, the more need for improvement in jumps and courses, according to reports and observations. It is apparent that some committees still have failed to read the salient chapters on pages 86-90 of the current Rule Book.

Equitation Changes

AHSA urges the holding of advanced equitation classes, for riders in the 18-21 age bracket, as a means of bridging the gap between the customary junior and the open competitions. At a board meeting on March 30 it was voted to establish a U. S. E. T. "medal" class for riders under 21, details of which appear elsewhere in this issue.

In the hunting seat section, the championship class shall be held over jumps, rather than on the flat or on points.

The amateur rule has been revised. Guest Cards will not be issued in the various equitation sections to include officiating in AHSA Medal classes.

Cornish Hills, Champion Conformation Hunter Of The 1940's

In August 1935 F. Wallis Armstrong's Meadowview Farm of Moorestown, N. J. consigned to the Saratoga Sales a colt by John P. Grier out of *Marvella by Gainesborough. He was a flashy chestnut and about as close to perfect conformation as one ever sees. Quite naturally he caught the eye of an expert in such matters, Mrs. Cary Jackson, now Mrs. Raymond Barbin of Keswick, Va. When the auctioneer's gavel fell she was the new owner. From her stable he went to the nearby farm of Mrs. Ellsworth Augustus. His next stop was the Beau Val farm of Mr. and Mrs. W. Haggin Perry, just another piece down the road. Together with their stable manager Jimmy Harris, the Perrys proceeded to make the chestnut, now called Cornish Hills, into one of the great show horses of modern times. Usually ridden by Mrs. Perry he became almost invincible in conformation hunter classes, gathering 33 consecutive championships during the years 1941 to 1945. The picture on our cover shows the conformation and the rider which in combination brought so many tri-colored ribbons to the brow-band of his bridle.

ing drive from Mrs. George L. Ohrstrom's *Prince Glorieux to win by 3/4's of a length. Montpelier's Gun Port got up to save the show award in the race which

was run in 1:16 1/4. A bulky field of 13 starters vied for honors in the sprint over the turf.

The Adams double was turned into a triple when Col. L. H. Nelles' Winnie The Imp led from start to finish to account for the Richmond Plate, featured hurdle race at 1 1/2 miles. Running late in the early stages, Mrs. M. G. Walsh's Rythminhim got up for place honors, but couldn't threaten the winner, which won by 2 1/2 lengths. *Danny Boy 2nd owned by Allison Stern, was third. Of the 7 starters, the only casualty was registered over the 1st obstacle, where the Blue Run Farm's Irish Elf lost jockey D. Thiel. The winner's time for the route over 10 hurdles was 2:29 1/4.

Following the featured timber event, Mrs. Adams saddled Dear Brutus to score a double for owner Col. L. H. Nelles of Oakville, Ont., Canada. Ably handled by "Dookey" Adams, the 4-year-old colt assumed command soon after the break. Threatened throughout by Mrs. A. A. Bigelow's *Par Amour, the pair shook off the bids to win the 1 1/4 mile turf race by a length. Mrs. M. G. Walsh's *Follies Bergere gained the short end of the route run in "1:48", a posted time which brought forth much comment.

Held under sunny skies, the excellent day of sport attracted some 5,000 enthusiasts to the well-kept course adjacent to Richmond. A much larger crowd would have been present, had not the N. Y. Giants and the Boston Red Sox been playing at the local stadium on the same afternoon. This hampered the attendance, but not the thrilling contests, which will be well remembered until the Deep Run race committee again rolls the carpet out to welcome

next year's group of sportsmen and sportswomen.

Innovations in Saddlery from Europe

News of unusual European advances in saddlery, harness and other riding equipment is reported by Mr. Bernard Kauffman of the Kauffman Saddlery Co who has just returned from an extensive European buying and inspection trip.

Among the saddlery innovations brought back by Mr. Kauffman is a new style jumping saddle which he helped design and which is being made by "Whippy" the English firm long acknowledged as the World's leading saddle-makers. Mr. Kauffman stated: "Although we introduced into the United States the modern type jumping saddle like the Italian Pariani and Toptani styles, we are convinced that the experience and fine technique of the skilled English saddle craftsmen cannot be equalled.

Another innovation brought back by Mr. Kauffman is a new saddle designed exclusively for the novice jumper. This saddle, although economically priced, has been designed along modern lines, making use of modern materials hitherto not available in saddlery. It, too, is being produced by a famous English saddle-maker.

Additional new items include a new waterproof raincoat so designed that it stood up remarkably well under rigid wet-weather tests at the English shows. . . . New tweed and fabric patterns in modern treatment, for riding clothes. . . and a specially designed children's jodhpur shoe and boot, developed along modern scientific lines, yet economically priced.

Samples of the new items are now on display at Kauffman's 141 East 24th St., New York City, the famous riding goods establishment now celebrating its 80th anniversary. All the new items will be in stock within the next two or three months.
